ANKIT KUMAR

Lal Kuan , Ghaziabad | +91 6201896567 | ankitkumar45870@gmail.com

CAREER SUMMARY:

Frontend Developer with hands-on experience in React.js, Next.js, Bootstrap, and Tailwind CSS. Skilled in building responsive dashboards, pixel-perfect UIs from Figma, and integrating APIs for smooth user experiences.

EXPERIENCE:

Wooshelf

Junior React Developer | March, 2025 - December 2025

- Converted Figma designs into pixel-perfect UI with Bootstrap, Tailwind CSS, and CSS Modules.
- Fixed UI bugs, improved performance, and ensured cross-browser and mobile responsiveness.
- Developed and maintained responsive web applications using React.js and Next.js with reusable components.
- Collaborate with other developers to update the website and create new features.

Solitaire Infosys

MERN Stack Developer | January 2024 – July 2024

- Built responsive web pages and small full-stack modules using React.js, JavaScript, HTML.
- Debugged issues and supported senior developers in feature implementation.
- Learned and implemented authentication, REST APIs, and state management concepts..
- Assisted in developing and testing web applications with API integration and database connectivity.

RELEVANT PROJECTS:

Lowiwed – E-Commerce Website visit

- Built a full-scale multi-category marketplace using Next.js and React with authentication, role-based dashboards, REST API integration, and order-based chat functionality. Developed responsive, scalable UI from Figma with reusable components and optimized user experience.

DPS – Photo Booth Website visit

- Built a time-based event booking platform with dynamic event modules, package selection, and payment gateway integration using React.js and Next.js. Developed responsive UI from Figma with optimized navigation across all devices.
